

Gatewood Vineyards is seeking a part-time to full-time vineyard manager to run the day-to-day operations of the vineyard. Gatewood Vineyards is a small family-owned vineyard located in Comanche County at the northern edge of the Texas Hill Country. Our focus is premium red wine grapes but we are planning to expand the vineyard to include white varieties as well. The ideal candidate would have significant viticultural experience including operating spray equipment and all other tasks of a typical vineyard.
