I'm reaching out to you because Ms Narra of Narra Vineyards/Altima Cellars in Brownfield is looking for someone to help her in her tasting room in Brownfield. She currently has no one to run it and I was told you could possibly direct a few students her way to apply. She has reached out to me as a Chamber member but I am limited on how I can help but hopefully you can assist.

I will give you her contact information:

With much appreciation,
