

# **PART-TIME STUDENT ASSISTANT POSITION**

Department of Plant and Soil Science  
Crop Physiology (Glen Ritchie Research Program)  
20 hours/week

We are looking for **four part-time student assistants** who are available to work starting July 2021 through December 2021 (may be extended depending on performance).

## **Main responsibilities:**

1. Assist in plant sample and data collection.
2. Maintain the cleanliness of research plots through manual and regular hoeing of weeds.
3. Drive tractors and operate sprayers, harvester, module builder, and other farm equipment.

## **Preferred Skills/Experience:**

1. Experience operating farm equipment.
2. Excellent work ethic and willing to be trained.
3. Ability to work independently and collaboratively.
4. Strong interest in and appreciation for field work and research.
