

## Florist Needed

Hello, my name is Ema Doss and I own Sassy Floral Creations here in Lubbock. I was not sure if you could help me but I am in need of Floral designers. I was thinking you might have some students who might be interested in helping me out. I will be glad to pay depending on the experience. Please let me know if I need to speak to someone else. I appreciate your time.

Please send an email or call my shop and leave a message. Have a great day!

Sincerely
