FROM HOME TO BIOME

THE MYRIAD OF PLANT RELATIONSHIPS

OCTOBER 15TH
8:30 AM - 4:30 PM

CALL FOR ABSTRACTS

We are proud to announce that registration is now open for the 2021 UIUC Plant Sciences Virtual Symposium on October 15th from 8:30 AM to 4:30 PM. Register at http://symposium.cropsiences.illinois.edu/. We are currently seeking abstracts for two 15-minute graduate student talks. If chosen, students will receive cash prizes! Both undergraduate and graduate students can also apply for our lightning-talk competition. Students that participate in the lightning-talks will submit a short, 3-minute video detailing their research. The top two submissions chosen by attendees will also receive cash prizes! Please limit submissions to one abstract for each primary author.

ABSTRACTS ARE DUE SEPTEMBER 3RD 11:59 PM

This year, the symposium theme is "From Home to Biome: The Myriad of Plant Relationships." For this symposium, we intend to explore the many relationships between plants and people and showcase researchers investigating plant interactions, whether it be addressing interactions with diseases, environment, insects, other plants, society, etc.
