Position:  Summer Internship

Location:  Champions Golf Club

13722 Champions Dr.
Houston, Texas 77069

Job Description:

- The day to day responsibilities of this position are all dependent on the individual's experience, skill level, aptitude, and desire to improve themselves. With two golf courses to maintain, this would be a great opportunity to gain exposure to all aspects of golf course maintenance. This includes but is not limited to: mowing greens, tees, fairways, and roughs, proper fertilizer and pesticide calibration/application, and water management.

Educational Requirements:

- Currently enrolled in a 2 or 4 year degree or certificate program emphasizing turfgrass management.

Experience Requirements:

- Previous golf course experience is preferred but not required.

Comments:

Champions Golf Club is fresh off a recently completed green and bunker renovation on the Cypress Creek Course last summer and is scheduled to host the US Women’s Open in 2020.

Founded by Jack Burke, Jr. and the late Jimmy Demaret in 1957, Champions Golf Club is one of the most historic, classic golf clubs in Texas. From its origin, Champions has consistently carved its place in golf history hosting the 1967 Ryder Cup Matches, 1969 US Open, 1993 US Amateur, several PGA Tour Championships as well as numerous other professional and amateur golf tournaments. The Cypress Creek course was designed by Ralph Plummer and opened for play in 1957. With thousands of trees, wide fairways, and enormous greens it remains a true test of golf suited for some of the best players in the world. The Jack Rabbit Course was originally designed by George Fazio in 1964 and completely renovated by Tom Fazio in 2002. Both courses are very unique in design and provide a spectacular playing experience in Northwest Houston. With over 300 single digit handicappers, Champions is known around the world as a “Players Club” with an expectation for championship conditions every day.

The Summer Intern is an integral member of the golf course maintenance team and would work closely with the Director of Agronomy, Golf Course Superintendent, and Assistant Superintendent on a daily basis. Candidates must be highly motivated and possess a strong work ethic as well as a desire to advance within the industry.
Company Benefits:

- $12/hour + OT
- Free Housing
