Imagine what you can do at Land O’Lakes. Our growth relies on extraordinary talent and boundless thinkers who are always looking for a better way and believe anything is possible. Like you, innovation and technology drive us.

At Land O’Lakes, you will also be part of a community with creative doers and dreamers, who want to make a difference. We work together combining our global perspective and direct access to the source to create practical, new solutions to meet agriculture’s toughest challenges.

Join the team at any Land O’Lakes location or with one of our retail-owners and you’ll sense the optimism, honesty and innovation that goes into everything we do. Together, we strive to feed human progress.

Job Posting Title:
Internship: Purina Poultry Sales

Job Description:
At Purina, we measure greatness by the animals we feed. It's what drives our research year in and year out. Because if there's greatness on the inside, there's greatness on the outside. It's unmistakable. Join our team this summer and be a part of the experience.

Purina is seeking an intern for the ultimate poultry experience. Purpose for the internship will be hands-on work projects in applied poultry production, research, practical nutrition and technical nutrition and additive sales.

Outcomes for the internship:
1. Better understand practical/field poultry nutrition
2. Field research experience
3. Technical Sales experience working with the top poultry companies in US
4. Production experience working with an integrator/producer.

Intern Qualifications
Pursuing a 4-year degree with an emphasis or interest in poultry nutrition, production or veterinary medicine. Junior or senior status and previous animal sciences internship experience are strongly preferred. Strong interpersonal communication ability, excellent organizational and time management skills. Must be able to lift/carry 50 pounds.
