

THE CLIFFS

The Cliffs at Mountain Park is offering a unique internship opportunity for qualified candidates. The Cliffs has seven different communities, covering the Upstate region of South Carolina and the Asheville region of North Carolina. This opportunity will allow the right candidates to spend the summer gaining experience with several distinct types of warm season turf. Candidates must be enrolled in a two-year or four-year turf, horticulture, or related major.

The Cliffs at Mountain Park, designed by Gary Player, is just north of Greenville, South Carolina, in the foothills of the Blue Ridge Mountains. This links style course, with the North Saluda River winding through the property, opened in 2013 and features Diamond Zoysia across the tees and fairways. The course also displays Miniverde Bermuda on the greens, and fine fescue rough framing each hole.

Candidate will be involved in all aspects of the golf course operation and management during their time with The Cliffs. Candidates should be a self-motivator, who takes pride in his/ her work ethic, and values the importance of being a team player. We want to help develop his or her skills in all areas of our Agronomy operations including:

- Equipment operation and training
- Sprayer and spreader calibration and applications
- Crew supervision and project management
- Daily course operations
- Irrigations troubleshooting and repair
- Moisture management

Benefits: Housing provided, golf privileges, uniforms provided, discounted employee meals.

Pay: TBD based on candidate

Currently accepting new applicants. Students interested in three-month, six-month, or nine-month internships are encouraged to apply.
