

## Internship Posting

Job Title:

2023 Internship for The Anne H. Bass Estate

This renowned private 10-acre estate located in Fort Worth, Texas is searching for two interns for the 2022 spring/summer. The intern will work with an experienced gardening staff under the supervision of the head horticulturist. This is a classic European Garden designed by Russell Page. The estate includes an herbaceous garden, rose gardens with over 1000 roses, viburnum woods, bog garden, water lily pond, conservatory, with over 850 orchids, small greenhouses, vegetable garden and woodland walks. The grounds include a modernist house with terraces, pool, and sculpture ponds. This is a unique opportunity for an excellent learning experience for any horticultural background.

### TOPICS COVERED:

- Landscape Design
- Hands on practical skills - planting, dead heading, watering etc.
- Seasonal maintenance
- Roses and their care
- Herbaceous and woody plants and their care
- Lawn care
- Pest and disease management/ IPM
