

LAS COLINAS

Summer Internship – Irving, TX

The Sports Club of Las Colinas located in Irving, Texas is a 440-acre property which consists of two 18 hole golf courses, TPC Las Colinas and Cottonwood Valley. Also with a newly renovated 7 acre TiffTuff driving range, consisting of sand bunkers, six target greens and HDPE rainbird irrigation system. The golf courses consist of L93/Crenshaw and LS44/96-2 Bentgrass greens, Tifway Bermudagrass fairways and rough. TiffTuff, TiffSport and Zeon Zoysia tees.

Interns will work closely with the superintendents and assistants in order to be exposed to all facets of our maintenance program. As an intern you will gain experience in calibration/application of chemicals and fertilizers, application of fertilizer/pesticides with GPS equipped sprayers, green's moisture management, daily course preparation, irrigation repair/scheduling, agronomic philosophies and implementation, logistics in planning/scheduling daily jobs, and routine maintenance. Dependent on availability and intern schedule of arrival you will also have the opportunity to experience working PGA tour events in the area.

Also, in participation with our local NTGCSA chapter, students who complete an internship program located in North Texas will be eligible to receive a \$2,500 scholarship.

Wage: \$17/hr + OT

Schedule: Summer Interns will be scheduled for 40-45hrs/week with the opportunity for more hours if desired. The schedule will also include two consecutive days off per week for the entirety of your internship with every other weekend off.

Requirements: The individual must be hard working, detail oriented, and have a desire to learn and excel in the turfgrass industry.

Education: Currently enrolled in a 2 or 4 year turf program.

Benefits: Daily hot Meals, Custom Uniforms, Pro Shop discounts and Golfing Privileges; Housing options available

Date Available: May-August 2023; 6 month terms will be considered if desired.
