

Kuhlman Cellars Summer Viticulture Internship

Kuhlman Cellars, a boutique winery located outside of Stonewall, TX, is seeking a summer intern to join our viticulture team for the summer of 2023. The intern will assist the team in the day-to-day tasks at our experimental and estate vineyards. Examples of some of the tasks include training vines of varying maturity levels, vineyard irrigation including maintaining drip irrigation system, vineyard floor management, berry sampling for readiness for harvest, harvesting, and processing the grapes. Outside the vineyard, the intern will work closely with our Master Gardener in designing and maintaining the landscape around the property.

We seek a candidate with a strong work ethic, ability to work as part of the team, willing to work outside, and work weekends. An interest in viticulture and enology is a plus.

Inquiries please email Reed and Diane Cobb at vines@kuhlmancellars.com
