

The IGCAS Phytotron (<http://www.depts.ttu.edu/igcast/Phytotron/IGCAST.Phytotron/index.php>) is seeking a student worker to assist the Phytotron Manager. Duties include: preparing greenhouses and growth chambers for research plants, general cleaning of research spaces and preparing pots and potting media for research plants. Candidate must be able to safely work both in hot, humid, dirty conditions and a laboratory, climb a ladder, lift 80 pounds and be self-motivated. Compensation is \$10-11 per hour. Interested students should send their resume:

Mylea C. Lovell
Phytotron Manager
