Lubbock, TX 79403
Phone: (806)-746-6101

January 5, 2023

The Texas A&M AgriLife Research and Extension Center in Lubbock has openings for student workers in the peanut and guar breeding program. The job has the following responsibilities:

Duties include processing harvested plots, shelling and packaging seeds, and planting. Previous farm or field experience is helpful. Hours can be negotiated, but typically are 10-25 hrs/week in the spring, and may be continued in summer and fall. This is an opportunity to work in a breeding program and to learn how a breeding program works.

Applicants must have a valid Texas driver's license and a good driving record.

Please send resume and application form from the following web page:
