

LOOKING TO HIRE

Vineyard Assistants

Duties include: Fruit thinning, leafing, suckering, hoeing, leafing pruning, installing wire mesh & trellis, harvesting, tractor driving, clean-up, spraying and other related viticulture operations.

GENERAL VINEYARD WORK: Assisting in the production, planting, and maintenance of vineyards, which involves preparing the soil, erecting trellis and irrigation equipment, pruning and training vines, and controlling pests/diseases with regular spraying.

Workers must be able to lift 65 lbs. frequently. No smoking or illegal weapons or controlled substances in the vineyards or in the houses. Cannot be color blind due to the need to distinguish colors of crops. Able to stoop, bend, and work in cold and wet conditions. Able to use tools such as pruning shears, grape knives, hand saws, weed eaters, hedgers, shovels and other equipment utilized in the vineyards. Workers may use chains saws on occasion.

Workers must abide by Employer housing rules. Proficiency in English or Spanish is required for training and safety purposes. (i.e. Workers must listen to, understand and follow instructions of Employer's supervisors and managers.)
