

ANNOUNCEMENT

WEST TEXAS AGRICULTURAL CHEMICALS INSTITUTE SCHOLARSHIPS

The West Texas Agricultural Chemicals Institute (WTACI), founded in 1953, is a non-profit organization of dealers, industry representatives, producers, scientists, educators, and agribusiness members who support educational and research programs promoting the safe and efficient use of agricultural chemicals. WTACI awards academic scholarships to undergraduate and graduate students from universities in the West Texas area and to those students from the West Texas area attending the college of their choice. Since 1983, the WTACI has awarded over \$162,000 in scholarships to 172 students pursuing agricultural related degrees. Scholarships awarded last year totaled \$8,000. The 2023 Scholarships will be presented at the Institute's annual meeting in September in Lubbock, Texas.

Specific criteria for scholarship selection are as follows:

1. Recipient must be pursuing a degree in crop science, soil science, or a related major.
2. Classification requirements
