EXCEPTION POLICY

Written approval will need to be obtained from the Program Administrator (or their delegate) for any exception to purchasing any restricted Goods or Services. Any exception to the policy shall be emailed to the PCard Office and must be made prior to making any purchase.
If a permanent limit increase is requested, completion, signature, and approval of the PCard Exception Form are required. The PCard Exception Form will be signed by the Reconciler, Financial Manager/Approver, the appropriate Chancellor, Vice Chancellor, Assistant Vice Chancellor, President, Vice President, Assistant/Associate Vice President, Dean, Assistant/Associate Dean, Provost, or Vice Provost and the Section Manager for PCard and Travel Services or Director of Procurement Services.

POLICY VIOLATIONS

It is the responsibility of the Reconciler and the Financial Manager/Approver to review transaction documentation in order to identify possible violations in card use. This review must be conducted for all transactions in each cycle period.

- If the Reconciler determines that a violation has occurred, he or she must notify the PCard Office. The Reconciler will be accountable for all transactions that are processed under their purview. Repetitive violations occurring under any one Reconciler could be just-cause for removing the Reconciler from those duties.
- The PCard Office regularly audits transactions for possible violations and may request specific documentation to determine if a violation has occurred. Failure to provide requested information within seven (7) business days could be grounds for card deactivation.

The following items will constitute policy violations. Repeated violations could result in the sanctions detailed in these guidelines at the discretion of the Procurement Card Administrator and/or the Director of Procurement Services.

SPLIT PURCHASES

Under University Procurement Rules and Texas Comptroller regulations, it is prohibited to split a purchase in order to circumvent PCard or purchasing bid limits. A split purchase is defined as:

- The purchase of a single item costing over $2,000 (including shipping) with the purchase being divided (split) into more than one transaction; or,
- The purchase of a group of items totaling over $2,000 (including shipping) for a single purchase need. A single purchase need identifies a group of items that are similar enough in nature to be purchased from a single source. Purchases cannot be different delivery locations, different FOP, etc. For example: buying toner cartridges in the amount of $1,900 one day and a separate transaction the next day of $500 will constitute splitting purchases.

SALES TAX ON PURCHASES

Texas Tech University and the TTU System are both exempt from Texas sales tax. Exemption cards and certificates are available in the PCard Office (as evidence for vendors needing documentation). Any transaction that takes place with an out-of-state vendor will include that State’s sales tax on the transaction if the goods are delivered to an out-of-state location. Repeated failure to provide vendors with the required Texas tax exemption evidence will be considered a policy violation.

FAILURE TO PROVIDE EVIDENCE OF DOCUMENTATION/INCOMPLETE DOCUMENTATION

Cardholders are required to provide original receipts and any required supporting documentation for each purchase, by the required deadline which will be published on a regular basis. If the Cardholder is unable to obtain a valid receipt, a Missing Receipt form must be prepared, signed, and submitted with the reconciliation. Failure to provide evidence of documentation will be considered a policy violation. For reconciliation that are
thirty days late, the PCard will be suspended until the reconciliation is received in the PCard Office. For reconciliations that are 60 days late, the PCard will be terminated. The Missing Receipt form is available at http://www.depts.ttu.edu/procurement/forms/ under Procurement Card.

**PURCHASE OF A PROHIBITED GOOD OR SERVICE**
The purchase of any good or service contained on the prohibited item list in this PCard Guideline without an approval from the PCard Office shall constitute a policy violation.

**PURCHASE FROM A PROHIBITED VENDOR**
The Individual Cardholder or the Departmental Card Delegate is required to verify the vendor status for any purchase of goods as required by the State of Texas.

**PERSONAL PURCHASES**
The PCard must never be used to purchase items for personal use or for non-University purposes even if the Cardholder intends to reimburse the University.

**CARD ABUSE/EMPLOYEE FRAUD**
Any suspected fiscal misconduct or abuse of the card for personal purchases must be reported immediately to both the PCard Office and the TTU Office of Audit Services. Reconcilers and Financial Manager/Approvers are both required to report any suspected card abuse or employee fraud.

**NONCOMPLIANT SPONSORED PROGRAM PURCHASES**
Purchases on Sponsored Projects funds shall comply with the guidelines herein, terms and conditions of the award, and the Federal cost principles embodied in Operating Policy 65.08, *Direct Charging to Sponsored Projects and Cost Share Funds*. Failure to comply will constitute a policy violation.

**FAILURE TO COMPLY WITH GUIDELINES**
Sanctions provide an approved framework to address program violations. Non-adherence to these Guidelines could result in loss of privileges. Serious infractions could result in disciplinary action, criminal charges, termination and/or a combination.

Departmental PCard program participants - Cardholders, Financial Manager/Approvers, Delegates, Financial Managers, and Reconcilers - are required to know and follow these Guidelines and TTU/TTUS Operating Policies and Procedures, including those defining program violations and their consequences.

The following policy applies to both Individual PCards and Departmental PCards (Departmental PCard violations accumulate per PCard even if a different authorized individual caused the violation on the Departmental PCard).

All alleged infractions will be thoroughly reviewed by the PCard Office. Additional information may be requested from the Individual Cardholder and/or the affected departments. Notifications of infractions will be sent to the Cardholder, Reconciler and Financial Manager/Approver. A Prohibited Transaction Notification Report with this information will be sent to the appropriate Chair, Dean, Provost, President, Vice Chancellor and/or Chancellor and the Office of Audit Services on a periodic basis.
