

We're moving!

The TTU Psychology Clinic will be moving to a new location later this summer!

Starting **August 28th, 2023**, we will be providing services from Texas Tech Plaza Building at 19th and University Ave., just a few blocks from our current clinic.

New Clinic Address: 1901 University Ave., Room 103, Lubbock, TX 79410
(Our phone number will remain the same – 806-742-3737)

Until then...

- After July 28th, some sessions may be held over telehealth during the transition, and we will be completely closed for a brief period of time. Your therapist will let you know if these changes will apply to your care.
- Voicemails or emails to the Clinic office may have a delayed response time after July 28th.
- The most up to date information related to our move will be posted on our website:
<https://www.depts.ttu.edu/psy/clinic/>.

Where to park at the new location...

- Texas Tech Plaza has two entrances: one off 19th (when headed east only), and two off 20th St. between University Ave. and Ave. X (indicated with red arrows).
- We will not have designated parking spaces in our new space -- Park in any spot in the Plaza's lot! (However, if you're in a new or different car than what we have on file, please provide us that new license plate information when you arrive.)

Access/entrance...

- You will enter in the glass doors as pictured here (and noted with the red "ENTER" arrow)
- Access to the Clinic is then up the few stairs on the left.
- If you need ramped access, there is a ramp into the building (visible in the image above) OR once inside the building, there will be a wheelchair lift towards Rm. 102.
- The security guard in the Plaza lobby can assist in directing you as well.

We're so excited for our new space and we apologize in advance for any disruption or inconvenience this change will cause – we promise it will be worth it! 😊
