

DEGREE PLAN CHECKLIST

A couple of notes regarding Degree Plans:

- 1) Write all courses in the format of "PSY 5316"
- 2) For courses from which more than three credits are required, indicate how many credits are required -- e.g., "PSY 7000 (6 credits)"
- 3) Keep the form to one page. This will usually require listing courses in two columns in the far left of the space provided for the courses.
