

Student Honor Contract for Qualifying Exam

Student Name

Semester

In conjunction with the Texas Tech University honor codes, I agree that I will not communicate or receive any information regarding my PhD Qualifying Exam including exam questions, exam resources, or exam answers until all student exams have been completed and all final exam grades have been distributed.

Likewise, I understand that I am not to plagiarize any portion of the qualifying exam from written, oral or electronic sources.

Finally, I understand that the intent of this code is to ensure fairness and prevent any student from gaining an unfair advantage over other students. Students are to respect the qual exam process as well as other students.

I also understand that a failure to adhere to this code will be considered a violation that will be reported to the student's Division Director, the student's advisor, the Department Chair, the Executive Committee and the Graduate School.

Finally, I understand that I may not have my qualifying exam reviewed by anyone other than the graders of the exam. This includes any review by the TTU Writing Center or its equivalent. The only exception is if the student has special accommodations outlined by Student Disability Services office.
