Petition to Transfer Course Credit Form

This form is to be used for courses taken at another university or at TTU prior to the students admission to his or her designated doctoral program.

Student's Name	Date
Signature	
Student's Email	Phone
TTU Doctoral PSY Program	
TTU Advisor's Name & Signature	
TTU Psychology Course (title & number)	
Transfer Course taken elsewhere (title & number)	
Where course was taken: Date course was taken Grade	

<u>Attach a memo</u> that briefly explains why you believe that the transfer course may be the same level, substance, thorough coverage, and high quality as the TTU course.

Enclose all of the following documents:

- Unofficial transcript (or photocopy) showing the relevant course grade
- Course syllabus (this should be a detailed syllabus, not a brief catalog description)
- Sample exams, term papers, take-home projects and other written assignments

Check which of the following applies:

This petition involves transfer of credit to meet a <u>department-wide core requirement</u> (e.g., statistics; or the core courses in cognitive, developmental, biological, and social bases of behavior). This completed form and the above documentation should be put in the mailbox of the **student's Division Director**, who will oversee the review process.

This petition involves transfer of credits for a doctoral-program requirement within a specific division (e.g., assessment and therapy courses in the clinical and counseling Psychology programs; or required specialty courses in the cognitive, human factors, and social divisions of the experimental Psychology program). This completed form and the above documentation should be put in the mailbox of the student's **Division Director of the relevant Doctoral Program** (i.e., the director of the clinical, counseling, or experimental Psychology program).
