Students with prior graduate training may be admitted to this doctoral program and are able to transfer up to 15 credit hours for required departmental courses and up to 15 hours for required program courses. All requested course transfers are reviewed by a relevant course instructor and a Counseling Psychology faculty member on a case-by-case basis and must satisfy stated course requirements. Any such courses taken during prior graduate training that are approved for transfer to this doctoral program reduce the number of courses that are required for completion during a student's time in this doctoral program.
