CORPORATE PARTNER PROGRAM | 2026-2027

LETTER FROM THE SENIOR DIRECTOR

The Rawls Career Management Center (CMC) cordially invites you to join us as a corporate partner for the 2026-27 academic year. Your partnership will help us prepare the best students possible for your recruiting needs!

The Rawls CMC Corporate Partner Program is an opportunity to enhance your company's presence at the Rawls College of Business, as well as support valuable CMC programs, such as networking events, career fair overviews, interview preparation workshops, and more. In addition, your participation as a corporate partner helps to send our staff to annual conferences so we can ensure we are providing cutting-edge services and up-to-date advice to our students.

Our Corporate Partner Program is specifically designed to strengthen your company's brand awareness within the Rawls College of Business. Your participation will include a number of benefits, such as extensive marketing of your company name and logo, recognition at CMC events, participation in student workshops, and complimentary or discounted registration at events. Please see the enclosed details for a complete list of the benefits received at each partnership level.

We are committed to providing students and alumni with career development tools that will prepare them for a lifetime of professional success. If you are interested in participating or have any questions about the program, please feel free to reach out to me directly, and I will be happy to assist you! We look forward to our partnership with you!

Thank you,
