Rawls College of Business

BACHELOR OF BUSINESS ADMINISTRATION IN

SUPPLY CHAIN MANAGEMENT

Does the idea of streamlining processes, increasing efficiency and improving productivity excite you? Are you a nimble thinker who is solutions-oriented when faced with a problem? **If so, a supply chain management major may be for you!**

Supply chain management majors obtain the knowledge and skills needed to plan and forecast purchasing, product assembly, moving, storing, and keeping track of a product as it flows toward consumers. With a degree in supply chain management, you will influence consumer access to goods, while impacting a business's performance and profitability.
