JERRY S. RAWLS
COLLEGE OF
BUSINESS

TEXAS TECH

DEAR RED RAIDER,

Welcome to the Jerry S. Rawls College of Business!

As you begin your academic journey as a Red Raider, you will find great support and encouragement through the Rawls College community.

You will be inspired by peers, staff and faculty committed to changing the world through research, innovation, and determination. With state-of-the-art facilities, an unmatched academic experience, world-class faculty and a robust alumni network, we will empower you to reach your full potential professionally and personally.

We are proud to offer personalized guidance and support to every student. Whether you need help choosing a major, applying for scholarships, studying abroad, creating a presentation or landing your dream job, we are here to ensure your success. Additionally, as a business student, you have access to an embedded mental health counselor and dedicated student success specialist.

Throughout college, you will find several ways to experience personal growth, meet new friends, and give back to the university and community through service and outreach. From joining one of our more than 25 business-specific student organizations to participating in our leadership or research programs, there is no shortage of ways to get involved.

We are excited to have you as part of the Rawls College family and look forward to seeing all you will accomplish.

CERTIFICATES

Certificates allow students to pursue a special area of interest that complements their major areas of study. The Rawls College certificate programs range from 9 to 15 credit hours (i.e., 3 to 5 courses). Therefore, they are a cost effective alternative for students who want to enhance their knowledge and skills without significantly extending their time in college.
