South Texas College
McAllen, TX

Search for a Transfer Course

- Using a transcript from your transfer institution is highly recommended.
- Recommended search methods:
 - Enter the course prefix and number (GOVT 2305).
 - Enter the course name.

Course Information

- Using your transcript, enter the course details for the given course.
- It is important to match the credit hours on your transcript to avoid error when viewing your transfer audit.
- If you wish to keep adding courses from the same institution, select "Add another course from this school."

Understanding the Transfer Degree Audit

- Once you have entered your transfer work, your transfer results are ready to be viewed on your degree audit.
- Depending on your selections, the audit is broken into different blocks called degree, core curriculum, major, communication literacy, minor, and concentration.
 - Legend

▼ Complete except for classes in-progress

Still Needed: 3 Hours in

- Fall-through courses
 - Courses that end up in this section are not applying to the selected degree program.
 - This does not mean the course did not transfer. The course does not apply to the selected degree program.
- Course Equivalencies
 - This is the section at the bottom of the audit that shows an easy-to-read view of how your courses would transfer to TTU.
 - A green arrow indicates a successful transfer articulation.
 - Any course listed with a prefix followed by dashes (EX: ENGL 1---) indicates general transfer credit. This means that a current TTU equivalency does not exist. Additional review could be necessary by the Transfer Evaluation Office.
