FERPA Authorizations

You may grant online portal access to information in your education record through the CampusESP **Red Raider Family Network**.

1. Visit *https://ttu.campusesp.com* to access the **Red Raider Family Network.**
2. Click "Are you staff/faculty or a student? Log in here".
3. Log in with your TTU credentials.
4. Any new connection requests will appear here.
5. Click "Add My First Connection" or "Add Connection".
6. Enter the information of the person you wish to grant access.
7. Select the records you wish to share.

FERPA authorization only grants access to information; it does not grant the right to act on the student's behalf. FERPA authorization will remain valid until rescinded by the student.
