

Financial Conflict of Interest Requirements by Agency/Institution

Agency	Disclosure	Training	Regulatory Link	Regulatory Wording (OP or Policy)
NIH other PHS CDC FDA <i>etc.</i>	At submission	At award	link	"Investigators who are planning to participate in, or are participating in, NIH-funded research...are required to disclose to the designated official(s) of the Institution...[,] Each investigator, including subrecipient investigators, must complete training prior to engaging in NIH-funded research and at least every four years."
NSF		Not currently required	link	"Each investigator [must] disclose to a responsible representative of the institution all significant financial interests of the investigator (including those of the investigator's spouse and dependent children)..."
USDA DoD <i>etc.</i>	Abide by Texas Tech institutional policies		link	"All employees and other individuals...must complete training prior to engaging in [PHS-funded] research..." / "All employees and other individuals planning to act as investigators shall disclose, no later than the time of application for PHS-funded research and annually thereafter...." / "All employees and other individuals planning to act as investigators shall disclose to the AVPR, by October 1 of each year...."
Texas Tech University OP 74.17 requires that recipients of non-PHS funding who did not submit a disclosure during the initial disclosure period do so prior to the expenditure of award funds. Please contact FinancialConflictOfInterest.vpr@ttu.edu with questions about these or other FCOI requirements.
