

**CONSENT FORM
SHORT FORM EXAMPLES**

Example #1

You and your child are being asked to be in a research study. Before you agree, someone with the study will tell you about what you and your child are being asked to do.

If you are willing to be in the study, we will give you a copy of this page and a page telling what the research is about.

If you have questions, you can ask:

- The person doing the study is Dr. Researcher. Her phone number is 806-555-5555. Her email address is drresearcher@ttu.edu.
- You can call John Doe from Any Company International. His phone number is 0072-700-2533.
- Also, Texas Tech University, where Dr. Researcher is, has a board that protects the rights of people who are in research. You can call them at 806-742-2064. You can email them at hrpp@ttu.edu.

Are you willing to be in the research study? Are you willing to have your child be in the study?

Signature of the participant or a witness to the oral presentation

Date

Signature of the person conducting the consent process

Date

This consent form is not valid after Month/Date/Year

Example #2

The research project you are being asked to participate in is entitled “Exercise, Heat Stress, Lung Function, Cognitive Problem Solving and Their Relationship to Academic Achievement”.

Contact Information:

- For questions about the study or the procedures, contact Dr. Researcher of the Department of Phrenology at Texas Tech, who is in charge of the study. His/Her phone number is (806)742-XXXX. You can also contact Mr. Research Assistant, who is responsible for carrying out the procedures for the study at (806) 742-YYYY.
- For information about your rights as a subject or any questions or research related problems you might have, contact the Texas Tech University Human Research Protection Program (HRPP), Office of the Vice President for Research, Texas Tech University, Lubbock, Texas 79409. You can also call (806) 742-2064 or email them at hrpp@ttu.edu.

Dr. Researcher or Mr. Research Assistant has explained the purpose of the study and described the procedures to you. They have also informed you about how much time you will put into this study and how much payment you will receive. They have informed you of the risks you are taking and the discomforts you may experience in this study.

Dr. Researcher or Mr. Research Assistant has explained when your data will be kept confidential and when other people may be able to look at it. They described your rights as a subject and told you who to contact with questions you may have. They explained that your participation is totally voluntary and how your participation might be ended either by you or by them. Dr. Researcher or Mr. Research Assistant described how they would let you know if they obtained new information during the study that might make me reconsider participating.
