

Conference:
Artificial Intelligence and
Social Sciences
April 12 and 13, 2019
Shanghai University

Conference Program

Place: Lehu Hotel, Boashan Campus,
Shanghai University, CHINA.

Date: April 12 – 13, 2019

RSVP is required: tugrulkeskin@t.shu.edu.cn

Tel: 15000465734

Friday APRIL 12, 2019

OPENING REMARKS BY PROFESSOR GOU CHANGGANG, SHANGHAI UNIVERSITY, CHINA

8:15 – 8:30

PANEL -1: Artificial Intelligence, Society and Politics

8:30 – 10:00

Chair: Tugrul Keskin, Shanghai University, China.

1. **Philosophy of AI** - Qingfeng Yang, Shanghai University, China
2. **Fembot Hegemony. The Female Body In A Post-Human And Post-Western World** - Mirjam Gruber, Center for Advanced Studies, Italy.
3. **Political Economy of Robots** - Ryan Kiggins, Central Oklahoma University, USA.
4. **Artificial Intelligence and the Future Balance of Power** - Anupama Vijayakumar, Manipal Academy of Higher Education, Manipal University, India.

COFFEE BREAK – 10:00 - 10:30

PANEL – 2: Artificial Intelligence and Theory

10:30 – 12:00

Chair: Qingfeng Yang, Shanghai University, China.

1. **Artificial Intelligence: A Critique of Ellul's Theory of Technique** - Andrew Alexander, Shanghai University, China.
2. **Genealogy of Thought and Pleasure: Baudrillardian Philosophical Perception of Artificial Intelligence** - Junfu Wong, University of Cambridge, UK.
3. **Rise of the Centaurs: Intelligence Augmentation and the Internet of Things** - Leslie Paul Thiele, University of Florida, USA.
4. **Security Challenges for Artificial Intelligence** - Nitin Agarwala, National Maritime Foundation, New Delhi, India.

PANEL – 3: Artificial Intelligence and China

10:30 – 12:00

Chair: Timothy Shaw University of Massachusetts-Boston, USA.

1. **The Changing Face of Work: China and Automation** - Elizabeth Shen, Kairos Future
<https://www.kairosfuture.com/>
2. **An Analysis of AI Strategy from Canada and China** - David Perez-Des Rosiers, Shanghai University, China.
3. **Artificial Intelligence, Socialism and China** - Yang Chen, Shanghai University, China.
4. **Artificial Intelligence: An Opportunity for China and India to Establish a New Social Order Around the World** - Mohit Nayal, Indian Army, National Maritime Foundation, India.

LUNCH – 12:00 – 13:30

Friday APRIL 12, 2019

PANEL – 4: Artificial Intelligence and Society

13:30 – 15:00

Chair: Leslie Paul Thiele, University of Florida, USA.

1. **Artificial Intelligence and Public Education** - Kenneth Rogerson, Duke University, USA.
2. **On the Responsibility of artificial intelligence** - Dai Yibin, Shanghai University, China.
3. **Artificial Intelligence Impacts on Society** - Seema Singh, Jawaharlal Nehru University, New Delhi, India.
4. **What will it mean to be a human being in AI future?** - PARAMJEET SINGH BERWAL Lecturer, Ivane Javakishvili Tbilisi State University, Georgia.

PANEL -5: Comparative Politics of Artificial Intelligence

13:30 – 15:00

Chair: Junfu Wong, University of Cambridge, UK.

1. **AI & IR in Africa: drivers of sustainable development?** - Timothy Shaw University of Massachusetts-Boston, USA.
2. **What is the state of AI development in Russia?** - Samuel Bendett, Russian Studies Program, CNA Corporation; Member, CNA's Center for Autonomy and AI. Fellow in Russia Studies, American Foreign Policy Council, USA.
3. **Artificial Intelligence and Latin America: Emerging Patterns of Relations with Foreign AI TNCs** - Vila Seoane and Maximiliano Facundo, National University of San Martín (UNSAM), Argentina.
4. **Artificial Intelligence and European Politics: Legal and Institutional Questions** - Roland Benedikter, Center for Advanced Studies of Eurac Research Bozen-Bolzano, Italy.

COFFEE BREAK – 10:00 - 10:30

PANEL -6: Artificial Intelligence: Surveillance and City

15:30 – 17:00

Chair: Ryan Kiggins, Central Oklahoma University, USA.

1. **A Sociological Approach to Ethics of Artificial Intelligence in Surveillance for Public Security** - David Perez-Des Rosiers, Shanghai University, China. d
2. **Surveillance in Smart Cities: Interrogating 'Smart City' in light of ICT induced spatial reconfigurations of governance in Shanghai and Mexico City** - Thomas P. Narins, University at Albany-SUNY, USA.
3. **Between Scylla and Charybdis: The Threat of Democratized Artificial Intelligence** - Ori Swed Texas Tech University Kerry Chavez Texas Tech University, USA.
4. **Countering Terrorism in the Cities and Artificial Intelligence** - Askin İnci Sökmen İstanbul Arel University, Istanbul, Turkey

Friday APRIL 12, 2019

PANEL – 7: Artificial Intelligence and Foreign Policy

15:30 – 17:00

Chair: Kenneth Rogerson, Duke University, USA.

1. **Remaking Soft Power with AI** - Stephen Keck, Emirates Diplomatic Academy, UAE.
2. **Effect of Artificial Intelligence on International Relations and Foreign Policy** - Nitin Agarwala, National Maritime Foundation, New Delhi, India.
3. **Comparison of national Artificial Intelligence (AI) Strategic Policies and Priorities** - Sdenka Zobeida SALAS-PILCO, The University of Hong Kong, China.
4. **AI, Foreign Policy and the Challenges of Data Processing: A Review** - Sabith Khan, California Lutheran University, USA.

DINNER – 18:00 – 20:00

Ryan Kiggins, Central Oklahoma University, USA. rkiggins@uco.edu

Yang Chen, Shanghai University, China. ycwf2008@163.com

Qingfeng Yang, Shanghai University, China yangqingfeng1974@126.com

Saturday APRIL 13, 2019

PANEL – 8: Artificial Intelligence: Religion and Climate Change

9:30 – 11:00

Chair: Yang Chen, Shanghai University, China.

1. **AI and Islam: How a Self-Driving Car Undermines the Concept of Qadar** - Miras Tolepbergen, Graduate student in International Relations and Diplomacy; Shanghai University, China.
2. **Islamic and Confucius Perspectives on Artificial Intelligence** - Fida Ur Rahman Ghulam Fatima Tuz Zahra University College of Zhob, BUITEMS, Pakistan.
3. **Artificial Intelligence and Changing Face of Islamic Practices** - Prem Anand Mishra, · Jawaharlal Nehru University, New Delhi, India.
4. **Artificial Intelligence and Human Agency: Politics of Technology and Climate Change** - Devendra Kumar, PhD Candidate, University of Hyderabad, Telangana, India.

PANEL -9: Artificial Intelligence and Security

9:30 – 11:00

Chair: Rajiv Ranjan, Shanghai University, China.

1. **AI, Security and Pakistan** - Saadat Hassan Bilal, Quaid-i-Azam university, Islamabad Pakistan.
2. **Artificial Intelligence: The Prospects of 4th and 5th Generation Warfare** - Shaza Arif, Fatima Jinnah Women University, Pakistan.
3. **Artificial Intelligence and International Security** – Nitin Agarwala, National Maritime Foundation, New Delhi, India.
4. **Artificial Intelligence and Nuclear Weapons** - Syed Sadam Hussain Shah, Center for International Strategic Studies, Islamabad, Pakistan.

PANEL - 10: Closing Remarks and Discussions:

Future Academic Cooperation, Conferences and Establishing a new journal on Technology in Modern Society and Politics.

11:30 – 12:00
