YOUR INPUT MATTERS!
JOIN THE STUDENT FOCUS GROUP.

Texas Tech University was founded in 1923 and we are now preparing to celebrate the centennial, 100 years later. The inaugural class of students helped to establish the foundation that would help define and develop Texas Tech University into the institution it is today. We are seeking student feedback and recommendations to help plan the celebration. You are invited to join us for a Student Focus group on one of the following dates. Please RSVP for the date that works best for your schedule. Lunch/dinner to be provided.
