The reason I give to my selected charities is because each one of them, in one way or another, has helped or could help several members of my family ... I pray that my small donation can, in some way, be beneficial to others with the same issues/illnesses.

I give because my nephew is on the spectrum.

Your workplace campaign coordinator will have a larger SECC directory available, should you desire one. It features both general SECC information and additional information for each charity—as well as a full alphabetical index of all of this year’s SECC–approved charities. You can also view a full directory online (PDF) or access a searchable database of all approved charities at www.secctexas.org.
"I give of my time and money to the SECC for many reasons, but mostly because I lost my grandmother, mother, father, and a husband to cancer. I myself am a 2½-year survivor of kidney cancer. I am asking everyone to acknowledge their passion and give to one of the many wonderful SECC charities!"
