Re: Nominations for University committees and councils and Senate committees

The Faculty Senate nominates and President Mackey and/or administrative staff members appoint faculty to serve on University committees and councils. The Senate Committee on Committees prepares the slate of nominations for the Faculty Senate.

Enclosed is a list of vacancies for University committees and councils and Faculty Senate committees. Also enclosed is a form on which you may indicate your willingness to serve and nominate others. Please realize that sincere attempts are made to have representatives from all colleges on the committees and councils and many nominations are needed.

If you would like to know more about University committees and councils, i. e., the charge for a committee, you could refer to the University Directory of Councils and Committees. Copies of the Directory are available in Department Chairperson's offices and the Faculty Senate office. The campus directory also lists the members of the 1978-1979 University councils and committees.

Please return the completed form to your College Representative on the Senate Committee on Committees by Monday, March 5, 1978.

Re: Appointment of two ad hoc committees

As you know, at the last meeting on February 14 the Senate passed resolutions that two ad hoc committees be formed. Gary Elbow gave me the following suggestions for the Van Committee and Margaret Wilson and other Senators gave me the following suggestions for the Academic Freedom Committee. Please let me know by Tuesday, February 27, if you have additional suggestions for committee members or if you do not approve of any of the persons suggested. As usual, before suggesting a person for a committee please obtain his agreement to serve.

The mailing to all voting faculty from our Committee soliciting nominations to committees should have reached you by now. If you receive a nomination for one person by another person (i. e., at the bottom of the nomination form, you will need to get a nomination form completed for the person between March 5 (when the forms are due to you) and March 12 (when our Committee meets and plans nominations). Additional nomination forms are available in the Faculty Senate office for this purpose.

Thank you for your help.
