Dear Dr. Davis:

It is my understanding that Dr. Darling wrote to the Faculty Senate requesting the Senate's input on university-wide procedures for the five-year reviews noted in the new tenure policy. I certainly hope that the Senate will see fit to provide input as he requested in his letter, and will look forward to hearing from you accordingly. FROM: Lauro F. Cavazos

For your information and planning purposes, attached is a copy of a press release that will be distributed to the media on November 20. You may anticipate an early communication from the ad hoc committee chairman announcing the committee's plans for meetings to begin its discussions with you.

Chairman Joe Pevelouse, during the November 16 meeting of the Texas Tech University Board of Regents, appointed an ad hoc committee to hear concerns, discuss issues, and exchange ideas regarding campus matters of particular interest to the faculty, students, and administration. The committee is composed of Regents Larry Johnson, Jerry Ford, Rex Fuller and President Lauro F. Cavazos. Johnson will serve as Chairman of the Committee.

The objective of the committee is to work with representatives of the Student Association, representatives of the Faculty Senate, the Horn Professors, Academic Deans, and other groups for the development of better communications and an atmosphere of more cooperation within the University community.
