## Student Evaluation Recommendation

On behalf of the Ad Hoc Committee on Teaching Evaluation, President Dunham presented two resolutions for the Senate's consideration. Following discussion surrounding post tenure review, comparisons among professors who teach different sections of the same course, the evaluation form's use of "expected grade" in a particular class, and the minimum number of evaluations necessary for reliability and validity, both resolutions passed unanimously.

Resolved, that:

The FACULTY Senate recommends that the *Student Evaluation of Course and Instructor* BE ADOPTED AS A UNIVERSITY-WIDE EVALUATION INSTRUMENT OF TEXAS TECH UNIVERSITY.
