SORC Meetings

Information regarding the funding process for the 2026-2027 fiscal year will be distributed online at <http://www.depts.ttu.edu/sga/StudentOrganizationsFunding/FundingProcess.php> and through individual SORC meetings. Please be sure your SORC Representative or another officer is in attendance at every scheduled SORC meeting. SORC meetings are one of the best ways to stay informed with allocations and the overall funding process. Attendance will be taken at each SORC meeting to be considered during allocations, and if funding permits, can be used to apply various bonuses to your organization's allocation.
