Request to Opt In to Fixed Tuition

House Bill 29, as passed by the 83rd Texas Legislature, mandated that all Texas institutions provide an option for fixed price tuition. Texas Tech has implemented an option that will “freeze” the **designated tuition** portion of a student’s bill for 12 consecutive semesters (Fall, Spring, and Summer). This freeze does not include state tuition, fees, housing, dining, or other student elected charges, which are subject to change over the course of a student’s tenure at Texas Tech. Only incoming resident undergraduate students, either from another institution or no prior college attendance, are eligible to opt in.
