About the Event

Purpose of Event
The main purpose of Hub City Fest is educational. Hub City Fest is designed to help new and current students learn about all the Hub City has to offer! At Hub City Fest, businesses, non-profits and TTU academic/support programs can share their message and make connections with their newest potential customers, volunteers, employees, and members.

Event Date & Time
Hub City Fest will be held Friday, August 26, 2022 from 7:00 pm - 9:00 pm.

Set up will begin no earlier than 5:30 pm and must be completed by 6:45 pm. Exhibitors should not make plans to leave prior to 9:15 pm.

Transition & Engagement will establish exhibit hours and reserves the right to make changes; however, such changes will be made as far in advance of the event as possible (Hub City Fest Agreement, Section 1a).

Each Exhibitor is required to keep at least one attendant in their booth during all exhibit hours; failure to do so may result in removal of their exhibit from the event at their expense (Hub City Fest Agreement, Section 11i).
**Contact**
Hub City Fest is hosted by Transition & Engagement. All event related questions can be directed to:

During the event, Exhibitors can speak with event staff in yellow Hub City Fest or teal “T&E” shirts for assistance.

**Attendees**
90% of incoming Texas Tech students are from more than 70 miles outside of Lubbock. The vast majority of these students need information about Lubbock businesses and the community as a whole. Hub City Fest 2021 had more than 3,000 student attendees. Lists of attendees are not available to any exhibitor.

**Exhibit Space**

**Assignment of Exhibit Space**
Hub City Fest will be held at the R-11 Parking Lot on Texas Tech University campus. Booth space assignments are made in the order that signed agreements are received. All agreements must be accompanied by payment in order to be considered. Agreements without payment will not be processed (Hub City Fest Agreement, Section 2).

Such assignment is made for the period of Hub City Fest only and does not imply that the same or similar space be held or offered for future exhibits. Transition & Engagement’s decision will be final. Transition & Engagement reserves the right to transfer space assignments when such action is deemed to be in the best interest of the total exhibition. (Hub City Fest Agreement, Section 6)

**Transfer of Exhibit Space**
No exhibitor shall sublet, assign, or share its exhibit space with another company or individual. Exhibitor representatives must be employees or designated agents of the exhibiting company. Exhibitor representatives may not represent other companies other than the company contracting for the exhibit space. (Hub City Fest Agreement, Section 10)

**Cancellation**
If the Exhibitor can no longer attend the event, please notify Transition & Engagement at studentengagement@ttu.edu or 806-834-6805 as soon as possible. No refunds can be issued.

Transition & Engagement reserves the right to restrict exhibits, without refund, that have been falsely submitted, and to terminate an agreement if payment is not received within 5
days of receipt of the Agreement, unless otherwise approved by TTU. (Hub City Fest Agreement, Section 2)

Transition & Engagement reserves the right to withdraw its acceptance of the Agreement if it determines in its sole discretion that the Exhibitor is not eligible to participate, or the Exhibitor’s product or services is not eligible to be displayed at Hub City Fest. (Hub City Fest Agreement, Section 4)

In case of inclement weather, Transition & Engagement will contact all exhibitors via email to notify of any changes or cancellation. In the event the Exhibition is cancelled by TTU, TTU will issue a refund of payment made to Exhibitor.

**Event Setup Procedures**

**Move In/Unloading**
Exhibit move in will begin **no earlier than 5:30 PM** on Friday, August 26 and spaces must be completely set up by 6:45 PM.

For safety considerations, no vehicles will be allowed in or out of the Exhibit area **between 6:45 – 9:15 pm**. Please plan to have your area set up and vehicle removed from the exhibit space no later than 6:45 PM. Vehicles may unload their product, equipment, etc. in front of their exhibit space, but quickly move to designated parking areas after unloading.

Exhibitors MUST enter campus at the 19th & Boston entrance, and will use the Akron Avenue entrance to the R-11 parking lot. See map below. There is only one entrance and exit, and vehicles will circle the lot counter-clockwise. When unloading, take care to park along your assigned spaces in a way that will allow others to pass by.

The green area on the map represents the HCF Exhibit Space and the yellow is for exhibitor parking.
Failure to Occupy Space
The exhibitor will forfeit any space, without refund, that is not occupied by 6:45 PM on Friday, August 26.

Move Out/Loading
Exhibitors should not begin tearing down/moving out until after 9:15 pm, or unless otherwise instructed by event staff. Exhibitors leaving prior to the conclusion of the event will forfeit all opportunities to participate in other Transition & Engagement events.

Exhibitors should clean all trash and debris from their assigned area prior to departure. Place all trash in the bins located throughout the exhibit area and campus.

For safety considerations, no vehicles will be allowed in the Exhibit area between 6:45 and 9:15 pm. After 9:15 pm, traffic flow will follow the same counter-clockwise pattern for load out. When loading, take care to park along your assigned spaces in a way that will allow other vehicles to pass by. Additionally, attendees on foot may still occupy the space, so use extreme caution when driving through the event area.

Parking
One vehicle per Exhibitor is allowed in the Exhibit area (R-11 parking lot) for loading/unloading. Additional vehicles will not be allowed in the lot. Additional booth supplies must be walked over to the Exhibit space from the Exhibitor parking lot (R-03 lot).
Exhibitors may park up to three vehicles in the R-03 lot. Again, for safety considerations for pedestrian traffic, no vehicles will be allowed in or out of the Exhibit area (R-11 lot) between 6:45 – 9:15 pm.

**Exhibit Regulations**  
(Hub City Fest Agreement, Sections 11 and 12)

**Exhibitor Conduct**
