

## **Raider Relief-Advocacy and Resource Center**

Raider Relief-Advocacy and Resource Center offers a central hub for students facing challenges related to basic needs (food, hygiene, utilities, and housing). Through a broad network of campus and community resources, we aim to reduce the impact of financial, physical, and emotional difficulties, helping students thrive academically and personally. Units within the RR-ARC include Raider Relief, Raider Red's Food Pantry, and Fostering the Future.
