Instructor Self-Reflection

(Insert Course Number) Semester: (Insert Semester)

What Did I Learn from this Course?

What Challenged Me as an Instructor? What are my Lessons Learned?

Did the syllabus intent match the end result of the course? Was it effective? Would I change any assignments or classroom activities?

What am I proud of after this class?

How does this match my teaching philosophy?

What is your reaction to your teaching evaluations for this course?

Thoughts after revisiting your reflection? (Weeks, months, semesters down the road...)
