Transformative Undergraduate Experiences Symposium

Impact Talk Rubric

Thank you for serving as a Impact Talk reviewer! Please use the rubric and scoring column below to rate each Undergraduate Research and Creative Activity (URCA) presentation in your session. Each presenter should explain how their URCA project has/will make an impact.

- Impact may relate to the cultural or societal value of their work.
- Impact may look like opportunities to commercialize work.
- Impact may relate to advancing the state of knowledge in a particular field of research

Reviewers are asked to evaluate how effectively presenters make this case— not the perceived merit of the claimed impact.
