It is essential that the information is accurate in all respects, so please read all instructions carefully before proceeding. All instructions must be followed exactly. Give complete and accurate answers for each question. The Personal History Statement will be used as a basis for a background investigation that will determine your eligibility for becoming an employee and proceeding to the interview stage of the hiring process.

1. Your Personal History Statement must be printed legibly in **BLACK INK**, by the applicant or typed. Answer all questions truthfully and accurately. **PRINT SINGLE SIDED**.
2. If a question is not applicable to you, enter **N/A** in the space provided.
3. Avoid errors by reading the directions carefully before making any entries on the form. Be sure your information is accurate and in proper sequence before you begin.
4. **YOU ARE RESPONSIBLE** for obtaining all correct and complete names, addresses and phone numbers (INCLUDING zip codes and area codes) where requested. If you are not sure of your information, verify it personally before submitting your Personal History Statement.
5. If there is insufficient space on the form for your answers, attach additional sheet or sheets as needed. Be sure each additional sheet references the section, question number, and page number.
6. An accurate and complete form will help expedite your investigation. **Omissions or Falsifications** will result in your **Automatic Disqualification** from the hiring process.
7. Any candidate submitting an incomplete application **WILL NOT BE CONSIDERED FOR EMPLOYMENT**. Your application will be evaluated on completeness and neatness.

Photocopies of the above documents will be made at the time the paperwork is turned in and the originals will be given back to the applicant. If original copies are not available, a letter showing the originals have been ordered will be accepted. The original will need to be shown to the Administrative Captain or the Background Investigator before an interview will be granted.

DISQUALIFICATIONS

There are very few automatic bases for rejection. Even issues of prior misconduct, employee terminations, and arrests are usually not, in and of themselves, automatically disqualifying. However, deliberate misstatements or omissions can and often will result in your application being rejected, regardless of the nature or reason for the misstatements/omissions. In fact, the number one reason individuals “fail” background investigations is because they deliberately withhold or misrepresent job-relevant information from their perspective employer. It cannot be stressed

This personal history statement is a governmental document. Be truthful, as there are criminal consequences for lying on a governmental document.

Once you begin:

- Type or neatly print, in ink, responses to all items and questions. If a question does not apply to you, write “N/A” (not applicable) in the space provided for your response. If you cannot obtain or remember certain information, indicate so in your response.
- If you need additional space for your answers, attach additional sheets as needed. Be sure to indicate which section, question number, and page this refers to.
- Be as complete, honest, and specific as possible in your responses.

DISCLOSURE OF MEDICALLY RELATED INFORMATION

In accordance with U.S. Americans with Disabilities Act, at this stage of the hiring process, applicants are not expected or required to reveal any medical or other disability-related information about themselves in response to questions on this form or to any other inquiry made prior to receiving a conditional offer of employment.
