

**Timeline and Process for:
National Academy of Inventors (Fellow)
(Deadline Pending Verification; prior deadline was 10/1/2017)**

General Information

Overview of Fellows Program: <http://www.academyofinventors.org/fellows.asp>

Criteria, instructions, review process: <http://www.academyofinventors.org/nomination-info.asp>

Fellows selection committee: <http://www.academyofinventors.org/selection-committee.asp>

Nomination checklist (submitted on line): <http://www.academyofinventors.org/nomination.asp>

Eligible nominators: Nominations may be submitted by anyone (except for the nominee). At TTU, President, or President's delegate, will nominate.

Optional letters of support: 2 (plus a nomination letter) addressed to the NAI Fellows Selection Committee.

Refer questions to Keara Leach, at 813-974-5862 or kleach@academyofinventors.org

Criteria for Eligibility

1. Nominees should have demonstrated a prolific spirit of innovation in creating or facilitating outstanding inventions that have made tangible impact on quality of life, economic development, and welfare of society.
2. Nominees should have made outstanding contributions to innovation in areas such as patents and licensing, innovative discovery and technology, significant impact on society, and support and enhancement of innovation.
3. Self-nominations are not eligible. Teams are not eligible for consideration.
4. Nominee must be a named inventor on at least one patent **issued** by the United States Patent and Trademark Office. Currently the median number of patents among NAI Fellows is 20.
5. Nominee must be affiliated with an academic organization, e.g., university, college, non-profit research institute, government research laboratory.
6. Deceased nominees are not eligible.
7. Nominee does not have to be a current member of the National Academy of Inventors, nor affiliated with a Member Institution (Although recommended) of the National Academy of Inventors.
8. Nominations may be made of both U.S. and non-U.S. citizens.
9. Nominations may be submitted by anyone (except for the nominee themselves). The nominator does not have to be affiliated with an NAI Member Institution.
10. Nominations are accepted each year from July 1 – October 1.

Expectations for fellow membership: (1) fellow candidates are tenured, and hence senior; (2) upper administrative experience is a plus; (3) having at least one awarded patent is a requirement. The fellows collectively average 20 patents each. (4) gainful licensing deals of the patents is a big plus.

Timeline: National Academy of Inventors (Fellow)

January 1: Provost sends Deans, Department Chairs, Center Directors, and faculty members a memo announcing the National Academy of Inventors Program (maybe along with other external awards) and deadlines.

March 1: OVPR solicits nominations for NAI from Deans, Department Chairs, and Center Directors, and sends information about the award, eligibility, and criteria. Nominations must be accompanied by the nominee's name, department, contact information, CV and a one-page summary of significant patents/accomplishments.

March 15: All internal nominations from departments and colleges are due in the OVPR. Nomination documents are examined by the President and Vice President for Research (VPR), who will select final candidates.

April 1: OVPR contacts final candidates and requests a list of 3 possible external letter writers (optional) and their affiliation, address, telephone, and email information. Nominees are asked to send their full CV, and other required materials including name of a possible nominator to submit a 2-page nominating letter if they wish to be nominated.

April 15: Requested letter writer and acceptance information from nominees is due. **April 30:** Nominees are asked to prepare materials required for the nomination form (contact information for nominee, nominator, and optional letter writers; 200-word or less citation; summary of awards and honors, patent numbers (10 max); CV, narrative bio; Materials are due to the OVPR on **August 1**.

August 1: Application materials are due from nominees. OVPR carefully examines all documents for consistency and conformance to requirements. OVPR editors will review and edit (due **September 1**).

September 1: Nomination letter and form is sent to VPR or President for review, editing, and approval, with request to send comments to OVPR by **September 15**. OVPR enters all information for nomination form on line.

September 15: OVPR/President's revisions to nomination letter is due. Nomination letter and nomination form are submitted on line. Letter writers are sent reminder to submit letters by **September 23, as needed**.

October 1, Agency deadline: All materials have been submitted to the agency.
